**Request Number: 2-22525323863**

Dear Recipient:

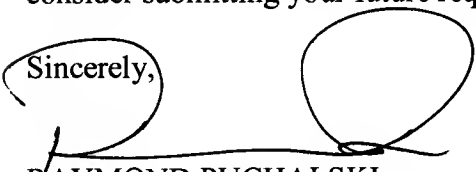

Thank you for contacting the National Personnel Records Center. We have been unsuccessful in identifying a military service record for the above-named individual. This does not mean the subject did not have military service, **only that we are unable to identify a record based on the limited information you have provided.** To locate a record, we must have the Veteran's complete service number (if applicable), social security number, and date of birth.

We suggest you resubmit a new request. Once we receive the required information to identify a record, we will make every effort to furnish the requested information.

Unfortunately, without any new data, we will not be able to conduct a further search. We regret that we are unable to provide a more positive response.

If you have questions or comments regarding this response, you may contact us at 314-801-0800 or by mail at the address shown in the letterhead above. If you contact us, please reference the Request Number listed above. If you are a veteran, or a deceased veteran's next of kin, please consider submitting your future requests online by visiting us at <http://vetrecs.archives.gov>.

Sincerely,

  
RAYMOND PUCHALSKI
